Hi all,

I'm sharing with you the final TSDs (9 of 16) I received from the Regions so far. These TSDs should incorporate all of our comments. Please give these TSDs a quick look to make sure they are in good shape. Should you have any further edits, please let me know so that I can notify the Regions.

Carla, please note that R9 has some additional comments/questions for you in the AZ TSD.

Thank you.
